

Report of Inter- Departmental Activity Organized by the Department of Computer Science

The department of Computer Science, Government College Karsog, organized an Inter-Departmental Activity on the topic "Empowerment Through Technology" on 06-09-2023 at 11:00 A.M. in Conference Hall. The activity was organized by the students of B.Sc. Computer Science. Chief Guest for the session was Dr. Gulshan Mahajan, Assistant Professor, Department of Physics. The aim of the activity was to apprise the students of various recent trends in the technology. The students of Computer Science Department delivered various presentations on the topic viz., Digi Locker, Safety Apps (viz., 112, Shakti App), Artificial Intelligence (Chat GPT), Google Applications (viz., Docs, Slides, Sheets, Forms) and Electronic Waste Management. The purpose of this department activity was to enhance the educational experience of our students and foster a sense of community within the students. Such activities will not only enrich their academic knowledge but will also provide them with valuable opportunities for social interaction and personal development. Through the presentations students were made aware of various apps that they can use during the time of emergency or distress. Following students of B.Sc. final year gave their presentations and interacted with the students. Ishita Sharma, Pooja Sharma, Nishita Verma, Divya Bharti, Vipasha, Jyoti Verma, Dikshit Kumar, Ritik Raj, Anjali Kapoor, Vishal Sharma were the students who gave their presentations on various topics. The event started with the lighting of the lamp, followed by the introduction to the event by Dr. Priyanka Rana, Assistant Professor, Department of Computer Science. Then the students of B.Sc. final year gave their respective presentations. In the middle of the session Dr. Priyanka Rana gave her presentation on the topic "The Unethical Use of Electronic Devices". Followed with the address by Dr. Gulshan Mahajan, where he appreciated the efforts of the participants and shared his viewpoint on the emerging problems of electronic waste management and global warming. All the students were given questionnaire regarding the topics covered in the seminar, which they filled. The event ended with the Vote of thanks by Dr. Priyanka Rana. All the students were served with the refreshment at the end of the event.
